

Early Chinese Dynasties

Your task is to create a 4-5 minute presentation on the Xia, Shang, or Zhou Dynasty. These are the earliest known dynasties of ancient China.

This presentation should be both informational and interactive for the audience. Below are the main talking points needed in your presentation.

Presentations must be completed on Google Slides.

- **Dates (5 Points):** When did they rule?
- **Rulers (5 Points):** Who were two significant rulers? Include at least three pieces of information on each ruler.
 - Examples: How long did they rule? How did they rule? What did they accomplish?
- **Advancements (5 Points):** What advancements were made under your assigned dynasty?
 - These can be technological, social, economical, etc. (At least THREE)
- **Size (5 Points):** geographically speaking, how large was it?
- **Primary Evidence (5 Points):** Provide and analyze at least TWO primary sources in your presentation. These can be artifacts or writings. There must be an analysis provided.
